Application No. 10/573,639 :  
Filed: March 28, 2006 :  
Attorney Docket No. 17074-00007 :

**OFFICE OF PETITIONS**  
**RESPONSE TO PETITION**

This is a response to the petition, filed February 15, 2011, under 37 CFR 1.59(b) to expunge information from the above identified application.

The petition is **granted**.

A Preliminary Amendment and Response to Notification of Missing Requirements Under 35 USC 371, in addition to other papers, (Response) were filed in the above-identified application on February 11, 2011. The pages of the Response identified Application No. 12/994,292, and the content of the Response is consistent with the content of that application. However, the Response was filed through the Electronic Filing System (EFS) and was directed to the above-identified application, 10/573,639. Petitioner asserts that the Response was unintentionally filed in the above-identified application and requests that the Response be expunged from the File Wrapper of the above-identified application.

Upon a showing satisfactory to the Director, information, other than that forming part of the original disclosure, may be expunged from an application. Since the Office can determine the correct application file for which the erroneously filed papers were intended from the identifying information on the papers, the papers will be transferred as requested.

The Response filed February 11, 2011 will be closed in the Image File Wrapper (IFW) for application serial no. 10/573,639 and also removed from the listing of publicly available documents.

Telephone inquiries concerning this communication should be directed to the undersigned at (571) 272-6692.
